

Minnehaha County Sheriff's Department
320 W 4th Street
Sioux Falls, SD
57104

Press Release

DATE: 01/03/2023

SUBJECT:

Travel in rural areas of Minnehaha County is currently close to impossible. County Plow crews are currently not able to continue plowing areas of the county due to impassable roads and zero visibility. Tow trucks are unable to respond to calls for assistance due to zero visibility and impassable roads.

Deputy Sheriff's and County Plow crews are working together to respond to emergencies and will continue to work cooperatively throughout the storm. Travel in rural Minnehaha County is not advised.

Response times for both Deputies and County plow crews are being impacted by the weather. The Plow Crews and Deputies will continue to respond to emergencies but any other traffic on the roads negatively impacts their ability to respond to emergencies.

Do not attempt travel in Minnehaha County until conditions improve.

Mike Milstead
Minnehaha County Sheriff
